THE CLASS IX VIDEO/ RADIO SHOW

In this unit you produce your own Class IX Radio or Video Programme.

Project: A - The Class IX Radio Show

A.1. First, you will hear a local radio programme, which will give you ideas for your own programme. You will hear the programme twice. First, listen without writing anything.

A.2. Before you listen for the second time, discuss the following with your partner.

- a. Why are there two presenters?
- b. What is the presenters' role?
- c. What is the presenters' style? Do you like their style? Why / Why not?
- d. Why do the presenters outline some of the contents right at the start of the programme?

A.3. Now hear the Radio programme and fill in as much information as you can in the following table. Then exchange information with your partner to complete the table.

A.4. Now it is your turn. Write and produce your own radio programme. You will need to select your own content. The following are some ideas. You are free, of course, to add your own ideas. Remember, the programme must be in English.

- **News stories:** about people in your class, about school, about sports (school and local), about the local community
- **Comedy:** jokes, short plays
- **Interviews:** with teachers, with ex-students of your school, with a Class IX student who has recently done something very interesting
- **Games:** general knowledge quiz, panel game, word game
- **Advertisements:** for shops/industries in the local community, things 'for sale' and 'wanted' by students
- **Local sites:** monuments / sites of historical importance and of tourist interest
- **Special reports:** e.g. safety at school, examination results, school uniform, school assemblies

- **Interesting people:** role-play interviews with film stars, sports personalities, TV personalities, etc.
- **Entertainment reviews:** music, films, videos, books, etc.

- **Tele conference** with students, teachers, experts.

A.5. As a class, you will need to follow these steps

- a. Decide the length of your programme
- b. Select two lively presenters whose job is to :
 - discuss and agree with other students on their proposals for the programme.
 - fix the duration of each item.
 - ensure that the programme has enough variety of content.
 - decide the sequence of items.
 - supervise the script for each item.
 - present the programme in a lively manner.

Now enjoy performing/ watching the show.

Project: B - The Class IX Video Show

Here is another challenging and innovative project for you to work on; you will produce and present a video show.

B.1. You will watch a CD or a TV programme which will give you ideas for developing and presenting your own programme.

B.2. Before you watch the recording the second time, in groups discuss the difference between a Radio Show and a Video Show.

B.3. Complete the following table and then compare it with your partner.

VIDEO CD

Content of the Programme	
Regional / popular Indian culture

Is there enough variety of content?

B.4. Now it is your turn. Your class will be divided into groups of ten students. Each group will produce a programme. Keep in mind the following.

- Each group will invent their own channel. Give it a name and logo. The duration of the programme should be about 10 - 15 minutes.
- Your presentation should be well-planned; it should include an introduction, a news item, a weather-report, and an advertisement. (You can take hints from A.3)

Each group will have the following - Two Anchors, Script Writer, Director, News Reader, Camera person and assistant, Cast, Reporter, Recorder and event manager.

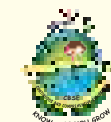

Anchors: Present the programme in a lively manner.

Script Writer: Ensure the final draft of the script is ready before you start recording.

Director: Ensure the programme has enough variety.

News Reader: Report school news, current news and neighbourhood news.

Camera person and assistant : Capture the items on camera.

Cast: Each group will choose an item for the programme. Discuss it with the director; write your script, making sure you do not exceed the allocated duration. Then rehearse your item, so that it is perfect when the programme is actually produced.

Reporter: Will help the news reader in compiling the news.

Recorder: Record the audio part.

Producer: Decide on a day when the whole programme is to be produced and assist in any way required.

Event manager:

- Ensure the programme has enough variety of content.
- Supervise the work of the script writer
- Help edit the recording.
- Ensure that the required hardware - tape-recorder, video camera, charger, CD etc are available. **Now enact or sit back and enjoy the programme.**
